

Chinese Cemetery Murrumburrah

Proposed SCF allocation: \$50,000

Background

The former Harden Shire Council had commenced investing into the improvements at the Chinese Cemetery located at the rear of the Murrumburrah Lawn Cemetery. Council had been considering further staged improvements in consultation with the local historical society.

Scope

The scope is to provide further amenity improvements with reference to a yet to be completed master plan for the site. These improvements include, but are not limited to, perimeter treatment and internal surface treatments sympathetic to Chinese landscape design principles.
