

## **Harden Pool Renewals**

**Proposed SCF allocation: \$300,000**

### **Background**

Significant improvements have been made in recent years at the Harden Pool with the need for further works to improve accessibility, amenity, lighting and water quality identified. The pool does not currently have disabled outlets or access.

### **Scope**

The scope of this proposed project is to improve the amenity of the Harden Swimming pool complex. The scope is expected to include disabled toilets, access improvements and lighting improvements with detailed costs estimates to inform the final scope.

### **Project Snapshot**
